Dear Mr. Hutchinson:

Thank you for submitting Geokinetics' Annual Operations and Progress Report, MR Form 3, for 1979.

The Division would be very interested in having a copy of the reports on the results of Geokinetics' studies of the vegetation, soils, and ecoclimate completed during 1979. We would also like to arrange a visit sometime during the late spring to view the success of Geokinetics' reclamation work.

Sincerely,

JAMES W. SMITH
